

Nourishment for Life:

Join The Irmgard Hörmann Legacy Circle

Irmgard Hörmann was a tireless volunteer and advocate for social services in Honolulu. She founded Hawai'i Meals on Wheels at the age of 63 for homebound seniors and those who were disabled. She started with just six clients, six volunteers and two routes. That pioneering spirit continues to drive Hawai'i Meals on Wheels forward.

You can be a part of this legacy and ensure the future needs of seniors are met for years to come.

Hawai'i Meals on Wheels is proud to honor our founder and to announce The Irmgard Hörmann Legacy Circle that provides a way for you to help carry on this great legacy. Planned gifts are a wonderful way to ensure you can leave a lasting, positive impact on homebound seniors and individuals with disabilities in our community.

A planned gift, no matter its size, will help sustain our valuable services and preserve an important community legacy.

There are several ways to make a planned gift:

- **Estates/Bequests.** A gift through your will or living trust is a simple but significant way to support seniors. You may designate Hawai'i Meals on Wheels as the beneficiary with a specific dollar amount, specific asset, or percentage of your estate. You can contact your own advisor or Hawai'i Meals on Wheels for more information.
- **Donating to our Endowment.** We have partnered with Hawaii Community Foundation. As an organization, Hawai'i Meals on Wheels has made commitment to build a reserve for our future sustainability and to ensure we can continue to carry on our mission. The interest from this endowment will be used to contribute to our annual operating revenue.
- **Gift of Annuities, Retirement Assets, Insurance Policies, Securities and Real Estate** are the many ways you can give as well.

Feel free to contact your own advisor or contact **Michelle Cordero-Lee** at 784-2751 or michelle@hmow.org and we can connect you with the appropriate resources.
